**REGISTRAR**

**TSMC/L&AQ/Inspection Report/2024**

**Dt: 10.04.2024**

## CIRCULAR

The Telangana State Medical Council inspected various hospitals and clinics in GHMC Area and found the following lapses.

- Most of the hospitals are not displaying the registration numbers issued by the TSMC against the names of consultant doctors in the hospital display board.
- It is found that some hospitals are appointing Pharm D degree holders as Duty Medical Officers and they also writing the case sheets pertaining to the patients.
- TSMC also came to know that many hospitals are appointing Ayush Doctors as DMO's
- Few consultants from other states are practicing in Telangana State without registering in TSMC.
- Few Consultants are also practicing without renewal of registration with TSMC.

In this connection, the Telangana State Medical Council is directing all the Super Speciality Hospitals, Nursing Homes, Clinics, Private Hospitals and also the Registered Medical Practitioners in the State to appoint only MBBS degree holders as DMO's. The TSMC strictly instruct not to appoint other degree holders like Pharm D, BAMS, BHMS, BUMS etc., as Duty Medical Officers and also see that all consultants who are practicing in Telangana State should get registered/renewed in TSMC.

It is further instructed that while appointing the doctors, the appointing authority may verify the genuinity of the doctors with the consultation of TSMC, you can also verify through online [www.onlinetsmc.in](http://www.onlinetsmc.in) by using **Doctor Search option**.

If any violations occurred, the TSMC will take appropriate action as per TSMRP Act and NMC Act 2019.

**Dr Mahesh Kumar K**

Chairman, TSMC
