PUBLIC NOTICE

Adverting to the issue whether Oral & Maxillofacial Surgeons are permitted to perform Aesthetic procedures and Hair Transplantations.

In this Connection, Telangana Medical Council vide its letter No. TGMC/DCI/NMC/A&H, Dt:29-05-2025 has sought a clarification from the National Medical Commission. The National Medical Commission vide its letter F.No.13014/18/2022/Ethics/8341003/015764, Dt:13-06-2025 has clarified that the Dental Council of India had issued public notice No. DE-130(ARPM-General)-2022/97, Dt:06-12-2022 without consulting Ethics & Medical Registration Board, NMC. The National Medical Commission reiterated that the qualification of Registered Medical Practitioners to perform such procedures is explicitly mentioned in EMRB of NMC bearing No. R-13014/18/2022-Ethics, Dt:20-09-2022 the relevant portion of which is extracted as below.,

Guideline on Aesthetic Surgery and Hair Transplant Procedures.

"The Hair transplant should preferably be undertaken only by those who have surgical grooming like formal surgical training such as MCh/DNB Plastic Surgery, MD/DNB Dermatology with adequate grooming in dermatological surgical procedures. It is also noted that the above named specialities have Hair Transplantation as a core topic in their Curriculum".

Aesthetic Procedures:

"Aesthetic Procedures should be undertaken only by those RMPs who have adequate training to do these procedures as per their curriculum".

"So, curriculum of various specialities should be guiding principle for all RMP's while undertaking any procedure including Aesthetics & Hair transplant procedures".

In view of the above, the Telangana Medical Council hereby notifies to the General Public that " Dentists (BDS)/ Dental Surgeons, Oral & Maxillofacial Surgeons (MDS) do not have the aforesaid specialities as core topic in their curriculum and as such they lack formal surgical knowledge and training so as to perform the aforesaid procedures.
